**Junior-Senior Banquet**  
The annual Junior-Senior reception which opens commencement activities of the High School, was held in the Oregon Club rooms Friday evening, April 22. Those present were the members of the Junior and Senior classes, the faculty and the members of the School Board and their wives, 80 in all. The banquet was served by the domestic science class.

Hugh Biggs presided as toastmaster introducing the following: "To our Friends of '21," James McCraith; "Here's to You," Mabel Madden; "That Reminds Me," S. M. Boucher; "A Long Long Trail," W. W. Wood, president of the school board.

The decorations of flowers and foliage transformed the club rooms into a springlike scene, which aided in making the reception successful in beauty, entertainment and hospitality.

Tickner of the Baptist church performing the service, using the ring ceremony. It was witnessed by the immediate family of the bride and a few friends, says the Burns Times-Herald.

The rooms were tastefully decorated in pink and white, the wedding party taking their place under a bower of roses to the strains of Mendelssohn's wedding march played by Mrs. Bennett on the piano. The bride was dressed in white silk Marquisette with a bridal veil and wreath of orange blossoms, carrying a bouquet of pink and white carnations. Her bridesmaid was her cousin, Miss Lydia Tyler who was dressed in pink silk, carrying pink carnations. The groom was attended by Ellis Bennett.

A wedding dinner was served following the ceremony.

The bride is the daughter of Mr. and Mrs. Melvin Parker, pioneers of this section. She was born in this vicinity and attended the schools of Burns. She is an attractive young lady and popular in her set of young people. Mr. Rose formerly resided at Ontario where his parents have resided for a number of years, his father being a highly respected farmer in that section. Mr. Rose has been associated with the Burns Garage in this city in the vulcanizing department for the past year and is a steady young man with a promising future.
